

The Optimists International Creed

- Promise Yourself -

- To be so strong that nothing can disturb your peace of mind
- To talk health, happiness and prosperity to every person you meet
- To make all your friends feel that there is something in them
- To look at the sunny side of everything and make your optimism come true
- To think only of the best, to work only for the best and expect only the best
- To be just as enthusiastic about the success of others as you are about your own
- To forget the mistakes of the past and press on to greater achievements of the future
- To wear a cheerful countenance at all times and give every living creature you meet a smile
- To give so much time to the improvement of yourself that you have no time to criticize others
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble

The Sauk Prairie Optimist Club

Our Motto Friend of Youth

You are Welcome

We are:

A group of adults from a wide variety of backgrounds and ages who recognize our civic responsibilities and join together voluntarily in thought and action for the good of our community.

We enjoy:

Good fellowship every Wednesday morning from 7 a.m. to 8 a.m. at Leystra's Restaurant, in downtown Sauk City, WI. We find this to be a convenient time to meet, before beginning the business day.

Guest Speakers:

After a good breakfast and a short business meeting, we have interesting and informative programs each week.

We are looking:

For community-minded people interested in encouraging leadership opportunities for the youth of our community and promoting civic advancement.

Dues:

\$30 new member initiation fee and \$84 annual.

"Friend of the Youth" has been the official motto of the organization since 1980.

Today's motto is a straightforward statement of the reason for the existence of Optimist Clubs.

Our Goals

- To develop optimism as a philosophy of life
- To promote an active interest in good government and civic affairs
- To inspire respect for the law
- To promote patriotism and work for international accord and friendship among all people;
- To aid and encourage the development of youth, in the belief that the giving of one's self in service to others will advance the well being of man, his community, and the world.
